Schedule "A"

Attached to and forming part of the Agreement between the Ministry of Community Safety and Correctional Services and The City of Peterborough and Peterborough-Lakefield Police Services Board dated the _____ day of ______________, 2009.

Allocation

1. The Ministry agrees to cost-share a total of 1 police officer(s) of which $70,000.00 per officer per year has been allocated, for a total of 70000.

2. By March 31, 2010, all allocated officers under the Program must be hired.

3. The Ministry agrees to cost-share overtime costs for existing officer(s) for the first two years of the program, if the total allocated funds are not used by the allocated officer(s).

4. After the first two years, the funds allocated in the amount of $70,000.00 per officer per year will only be used for the officer(s) allocated under the program for the salary, benefits and overtime costs.

5. Funds will be provided during the beginning of each government fiscal year, which runs from April 1\textsuperscript{st} to March 31\textsuperscript{st}.

6. Funds will be provided only for five years, from April 1, 2008 to March 31, 2013.

7. The Grant shall be used by the Board and the Municipality solely for the purposes of enhancing their police presence with local municipalities and for no other purposes. The Grant shall not be used for purposes related to maintaining the existing complement of police officers, as defined by the April 1, 2008 benchmark complement, self-declared to the Ministry in Schedule “B”.

8. If the Board and the Municipality is a participant in the existing Community Policing Partnerships (CPP) Program, the Municipality and the Board has a legal obligation to maintain the complement numbers for which they have already been funded and for which they continue to receive Ministry funding.

9. If the Board and the Municipality is a participant in the existing Safer Communities – 1,000 Officers Partnership Program, the Municipality and the Board has a legal obligation to maintain the complement numbers for which they have already been funded and for which they continue to receive Ministry funding.

April 1, 2008 Benchmark

10. The Program will increase the actual total number of sworn officers above the April 1, 2008 figures self-declared to the Ministry. The purpose of this benchmark is to ensure that the Ministry is not paying the salaries of new officers hired to replace officers who have resigned, retired or been terminated. In addition, the Program will not cover civilianization or the hiring of existing officers who increase the complement due to amalgamations. Officers funded through the Program must increase the complement above the combined complement of the amalgamated police service.
Use of the Grant Funds

11. The Grant shall be used to cost-share the costs of salaries, overtime and payroll benefits to approximately 100% up to a cap of $70,000 per officer per annum for officers hired under the Program.

12. For the first two years of the Program, in the case where the Grant Funds are not used up for the allocated officer(s) under the Program, the Grant Funds may be used by the Grantee to offset the overtime cost of any Existing Officer(s).

Reporting Requirements

13. In order to receive the cost-shared payment each fiscal year, to cover the officer(s) salary-related costs incurred from April 1st to March 31st, the Board and the Municipality shall, by March 15th of each Fiscal Year that the Agreement is in effect, submit a report, in the form provided in Schedule “C”. The report shall include the following information:
