2. The Ministry will provide the Grant in accordance with the Program, under the terms of which the Board and Municipality will carry out Community Policing and/or Targeted Area Activities as outlined in the grant application, attached as Schedule “B”.

3. The Grant shall be used by the Board and the Municipality solely for the purposes of enhancing the service’s Community Policing and Targeted Area(s) capacity as well as contributing to court efficiencies, as applicable, and for no other purposes. The Grant shall not be used for purposes related to maintaining the existing complement of police officers, as defined by the October 23, 2003 Benchmark complement, self-declared to the Ministry in the grant application, attached as Schedule “B”, due to the assignment of police officers to non-Community Policing and non-Targeted Area Activities.

4. If the Board and the Municipality is a participant in the existing Community Policing Partnerships (CPP) Program, the Municipality and the Board has a legal obligation to maintain the complement numbers for which they have already been funded and for which they continue to receive Ministry funding.

October 23, 2003 Benchmark
5. The Program will increase the actual total number of sworn officers above the October 23, 2003 figures self-declared to the Ministry. The purpose of this benchmark is to ensure that the Ministry is not paying the salaries of new officers hired to replace officers who have resigned, retired or been terminated. In addition, the Program will not cover civilianization or the hiring of existing officers who increase the complement due to amalgamations. Officers funded through the Program must increase the complement above the combined complement of the amalgamated police service.

**Use of the Grant Funds**

6. The Grant shall be used to cost-share the costs of salaries, overtime and payroll benefits to approximately 50% up to a cap of $35,000.00 per officer per annum for officers hired under the Program and engaged in full time Community Policing and/or Targeted Area Activities. The Ministry's share of overtime will be 50% to a maximum of $5,000.00.

**Reporting Requirements**

7. In order to receive the first cost-shared payment each fiscal year, to cover the officer(s) salary-related costs incurred from April 1st to September 30th, the Board and the Municipality shall, by October 15th of each Fiscal Year that the Agreement is in effect, submit an Interim Report, in the form provided in Schedule “C”. The Interim Report shall include the following information:

   (a) the name(s) of the police officer(s) hired under the Program, the date hired, salary paid to date and salary requested (approximately insert %);

   (b) confirmation that the police officer(s) in the targeted area(s) has received specialized or adequate training, as applicable;

   (c) the number of sworn officers as of September 30th of each year and the number of sworn officers self-declared as of October 23, 2003 to the Ministry as well as the number of sworn officers submitted as of June 15, 2004 to Statistics Canada;

   (d) confirmation of Community Policing and Targeted Area Activities undertaken by the police officer(s) under the Program, as applicable; and

   (e) contribution to justice sector efficiencies, specifically efficiencies affecting the court system, as applicable.

8. In order to receive the final cost-shared payment each fiscal year, to cover the officer(s) salary-related costs incurred from October 1st to March 31st, the Board and the Municipality shall, by March 15th of each Fiscal Year that the Agreement is in effect, submit an Annual Report, in the form provided in Schedule “C”. The Annual Report shall include the following information:

   (a) the name(s) of the police officer(s) hired under the Program, the date hired, salary paid to date, salary requested (approximately insert %), overtime (actual) and overtime requested (50%) and total number of officers funded by the Program;

   (b) confirmation that the police officer(s) in the targeted area(s) has received specialized or adequate training, as applicable;
the name(s) of existing police officer(s), overtime rate, total overtime hours (actual), overtime requested (50%);

(d) the number of sworn officers as of March 15th and the number of sworn officers self-declared as of October 23, 2003 to the Ministry as well as the number of sworn officers submitted as of June 15, 2004 to Statistics Canada;

(e) confirmation of Community Policing and Targeted Area Activities undertaken by the police officer(s) under the Program, as applicable; and

(f) contribution to justice sector efficiencies, specifically efficiencies affecting the court system, as applicable.

Payment Schedule

9. The Ministry will reimburse the Board and the Municipality bi-annually subject to the Ministry receiving and approving the interim and annual Program reports. Overtime will be paid annually after the Program’s Annual Report, in the form provided in Schedule “C”, is received and approved by the Ministry.

10. The Board and the Municipality may be required to provide such further or additional information as the Ministry, acting reasonably, deems appropriate in approving the Program’s Interim and Annual reports.

11. Approval of the Interim and Annual reports is at the sole discretion of the Ministry.

The program will fund only net new officers and not those hired to replace officers who have resigned, retired or been terminated.

The following eligibility criteria will be used to assess proposals:

- Increased complement over the October 2003 benchmark.
- Provision of crime prevention and community policing initiatives.
- Demonstrated service gap in relation to the designated initiatives.
- Officers will receive specialized training in the targeted area.
- Officers may be dedicated to one or more of the areas, as appropriate.
- A projection of enforcement activities and results in the high priority areas.
- Activities to promote public awareness about crime prevention and any of the other targeted areas, as appropriate.
- Contribution to justice sector efficiencies, specifically efficiencies affecting the court system.

Explain your goals and objectives as they relate to the eligibility criteria of the program (if required, use additional paper and attach to the application):

SAFER COMMUNITIES-1000 OFFICERS PARTNERSHIP PROGRAM

Goals and Objectives:

As of October 23, 2003 our sworn strength was 117 officers. Analysis of our calls for service, workload, population, additional impact of Trent University and Fleming College student population and the impact of the Adequacy and Effectiveness Standards verified that additional police officers would be required to adequately and effectively police the City of Peterborough and the Lakefield ward of the Township of Smith–Ennismore–Lakefield.

The analysis and research at the time revealed that the police service ideally should have an increase in authorized strength. This matter was discussed with the Police Services Board and members of our Municipal Council. Approval in principle was reached by the Police Service, the Police Services Board, and Council to increase uniform strength to an appropriate level depending on overall budget impact.

Expectations for deployment purposes under this new initiative will include increasing police visibility in the downtown core, to carry increased enforcement in areas of licensed establishments to address disturbances, assaults, mischief's and robberies.

Another expectation is to create a specialized trained unit to deal with “High Risk/Dangerous Offenders” who have been released into communities.

At the present time our Service lacks the capability to provide dedicated resources to the above noted initiatives. On a pilot project basis resources were re-deployed to these problem areas. These initiatives were carried out on overtime and pay duty basis and by virtue of additional three (3) officers who were hired in 2004. It is the goal of the Peterborough Lakefield Community Police Service to hire additional eight (8) police officers over and above the three (3) new hires in 2004.

All of the additional staff will assist in the provision of crime prevention and community policing initiatives, including focusing on youth crime, increased visibility in the downtown, monitoring high risk/dangerous offenders, domestic violence and contributing to just sector efficiencies by reviewing crown briefs and criminal charges in an attempt to eliminate unnecessary witnesses, both police and civilian.
Description of Proposed Activities:

Community Policing:

Our three (3) hires from 2004 are currently deployed to the Community Patrol Division and carry out crime prevention and community policing initiatives in accordance with our 2004-2006 Business Plan. The three (3) officers have been assigned to fill in resource gaps left vacant by experienced officers who have been temporarily re-assigned to carry out specific checks on persons released to our community on bail or other court ordered conditions.

An additional three (3) officers assigned to our Community Patrol Unit will allow our frontline officers to conduct selected/target enforcement and concentrate on high priority areas identified through crime analysis and community input. This will allow our uniformed police teams to promote public awareness about crime prevention and any other targeted areas deemed appropriate.

Youth Crime:

At the present time the police service does not have resources dedicated specifically to youth crime matters. Currently, a member assigned to other duties in the court system carries out this function. A new full time position of Youth Court Coordinator will allow our service to focus its efforts on coordinating youth crime reports and developing diversion programs for youth, thereby reducing the strain on our court system.

We anticipate re-allocating an experienced officer to the Court Bureau whose specific purpose will be to work with the crown attorney on an attempt to reduce unnecessary witnesses (police & civilian) to improve justice sector efficiencies.

Appropriate training opportunities related to youth matters will be provided to the member in this position.

Dangerous Offenders:

At the time of this application we have eight-eight (88) persons living in the city who are listed on the Sex Offender Registry. In addition, we house several group homes, halfway houses and transitional residences for individuals deemed to be a high risk to re-offend. Present resources do not allow us to focus appropriate attention to this community safety concern.

On a trial period the service allocated resources on overtime, pay duty and re-deployment basis to conduct random checks on conditions compliance for persons before the courts. Our pilot project revealed a substantial non-compliance rate for court orders. During the pilot project persons before the courts and on conditions commented on the effectiveness of the random police checks. The results of this temporary initiative were a reduction in our crime rate as well as the positive publicity that was garnered as a result of this project.

It is our goal to create a full time three (3) member high risk/dangerous offender management unit who will be responsible for enforcing all court/bail orders and managing and monitoring dangerous offenders who have been released into our community.

Case management and investigation training courses will be provided to the members assigned to this unit.
