### Article 1

**PAVEMENTS - CURBS - SIDEWALKS**

#### 347.1.1 Cost - payment - share by Corporation

The Corporation shall pay a share of the costs of pavements and curbs and sidewalks constructed as local improvements under the *Local Improvement Act* that otherwise would be chargeable upon the land abutting directly on such works in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Class of work</th>
<th>Percentage to be paid by the Corporation</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) pavement with concrete curb and gutter and sodded boulevards as required</td>
<td>40%</td>
</tr>
</tbody>
</table>
(b) gravel road with or without bituminous surface and including grading of the street allowance as required

(c) concrete sidewalks including sodding of the boulevard as required

(i) on local streets

(1) on streets dedicated by the City or assumed by the City as public highways before January 1, 1977 50%

(2) on streets dedicated by the City or assumed by the City as public highways after January 1, 1977

(A) sidewalks relating to extraordinary generation of pedestrian traffic 50%

(B) all other sidewalks 0%

(ii) on collector and arterial streets

(1) abutting residential frontage 80%

(2) abutting commercial and industrial frontage By-law 1977-48, 4 April, 1977.

Article 2
EXCEPTIONS

347.2.1 Corporation’s share - alteration - conditions
Notwithstanding the provisions of Article 1, the Corporation may, in any by-law approving local improvement works under the Local Improvement Act, provide for a percentage which is less than the percentages to be paid by the Corporation pursuant to Article 1, provided that such allocation has been requested and consented to by the owner of the land which is subject to assessment under the Local Improvement Act in respect of such works. By-law 91-262, 28 October, 1991.

Article 3
REPEAL

347.3.1 By-law - previous
