The Corporation of the City of Peterborough

By-Law Number 15-191

Being a By-law to authorize the 2016 portion of the Beavermead Park Implementation project at an estimated cost of $322,900 and the issuing of tax-supported debentures to a maximum of $322,900 to finance the work

Whereas at its December 12, 2011 meeting, Council previously adopted the 2012 Capital Budget which included project number 6-7.03 in the amount of $100,000 for the 2012 portion of the Beavermead Park Implementation project;

And Whereas at its December 10, 2012 meeting, Council previously adopted the 2013 Capital Budget which included project number 6-7.03 in the amount of $200,000 for the 2013 portion of the Beavermead Park Implementation project and the issuing of tax-supported debentures to a maximum of $100,000 to finance the work;

And whereas in 2012, the budget was further amended by adding $26,982 to the Beavermead Park Implementation project;

And Whereas at its December 7, 2015 meeting, Council adopted the 2016 Capital Budget which included project number 6-1.01 in the amount of $322,900 for the 2016 portion of the Beavermead Park Implementation project for a total approved project budget of $649,900;

And Whereas the total $322,900 cost of the 2016 portion of the project is to be financed from tax-supported debentures;

And Whereas the Treasurer has calculated an updated limit for the Corporation of the City of Peterborough using its most recent financial debt and obligation limit determined by the Ministry of Municipal Affairs in accordance with the provisions of Ontario Regulation 403/02 (the limit);

And Whereas the Treasurer has calculated the estimated annual amount payable in respect of a portion of the capital work described in this by-law to be financed by debenture and has determined that such estimated annual amount payable will not cause the Corporation’s total annual debt repayment to exceed the limit;

Now Therefore, The Corporation of the City of Peterborough by the Council thereof hereby enacts as follows:

1. That the 2016 portion of the Beavermead Park Implementation proceed at an estimated cost of $322,900; and

2. That tax-supported debentures be issued to a maximum of $322,900 for a term not to exceed twenty years, to finance the 2016 portion of the work.
By-law read a first, second and third time this 7th day of December, 2015.
