Encroachment Agreement made this 18th day of December, 2015.

Between:

The Corporation of the City of Peterborough
(the “City”)

and

Reid’s Transfer & Storage Limited
(the “Licencee”)

Whereas the Licencee is the owner of the buildings located on the lands described in Schedule A, which lands form part of the public road allowance owned by the City (the “Lands”);

And Whereas the Licencee applied for permission to make use of a portion of the Lands, as hereinafter set forth, and City Council agreed to authorize the execution of a license agreement to permit the existing frame building (the “Encroachments”) as described on Schedule “B”;

And Whereas the Licencee has requested permission from the City to maintain or establish and maintain the Encroachments as set out in Schedule B on the terms and conditions hereinafter contained;

And Whereas the Schedules referred to herein have been filed with the Legal Services Department of the City of Peterborough and form party of this agreement, whether attached hereto or not;

Now therefore the Parties hereto covenant and Agreement as follows:

2. The Licencee shall maintain the Encroachments in a good and workmanlike fashion and shall comply in all respects with the provisions of all City by-laws, the Building Code Act, and any other applicable regulations.

3. Nothing in this agreement shall have the effect of permitting the Licencee to interfere, in any way, with the usefulness or safety for public purposes of the City property.

4. The Licencee shall at all times, indemnify and save harmless the City from any loss, expense, or liability howsoever incurred by the City arising from the exercise of the privileges herein granted to the Licencee, and the Licencee hereby waives, as against the City, all claims of whatever nature, where such loss, expense, liability or claims arise directly or indirectly out of or attributable to the exercise by the Licencee or others of the privileges herein granted, whether or not such loss, expense, liability or claim result from the negligence of the City.

5. The Licencee shall obtain and maintain in force during the continuance of this agreement, insurance providing coverage for public liability and property damage, in the minimum amount of Two Million Dollars ($2,000,000.00). The City shall be named as an additional insured, and the policy shall contain a cross-liability clause, to the satisfaction of the City. The Licencee agrees to forward to the City the original or certified copy of the policy of such insurance, and the annual renewals thereof. It is acknowledged and agreed by the Licencee that the provision of such insurance shall in no way relieve the Licencee of its obligations pursuant to this agreement.

6. This agreement shall not be assignable by the Licencee without the written consent of the City.

IN WITNESS WHEREOF the parties hereto have hereunto set their respective hands and seals.
